Our Selection of Private Cocktail Classes

The Secrets of Cocktail Preparation

In this class, we delve into the preparation of cocktails and various techniques that can elevate your skills to a new level enabling you to craft perfect classics, such as a whiskey sour or a Negroni and impress your guests at home

The Wonderful World of Gin

Discover the fascinating history of gin and its production processes. We open the doors to the multidimensional world of gin, explaining how this noble drink conquered the world and what are its most iconic cocktails. In this class, you will learn to understand the role of gin in today's drinking culture, both in Finland and internationally.

Tailored Cocktail Experiences

Which drinks captivate your mind? At Bar Maria, we can create a bespoke cocktail class for you, tailored to your wishes and taking your taste buds on a journey to unforgettable experiences.

Tasting Events

It would be our pleasure to create a tasting event according to your wishes. Whether it involves the jewels of the Caribbean (rums), single malt whiskies of Scotland's misty mountains, or crafted small batch Finnish distillery liquors, we can curate the tasting to your preferences. The minimum charge is €650, but the package is always tailored specifically to the event.

We look forward to welcoming you to Bar Maria.
